We had such a wonderful time working on our Cinderella Ballet this year. It is a labor of love that was made possible thanks to all of our dancers hard work.

A ballet production takes much more than just class pieces but also outside rehearsal time to put the whole story together. Thank you all for joining us on our trip to our Cinderella fairytale.

A special thanks to:

Pam Evans- Costume making and Alterations

Zach Baumann- Prop assembly

Hudson Burke- volunteering his time to be our wonderful prince!

Bethany Walker- cleaning choreography

Camille Boggs- Soloist and Ballet 3-5 choreography

Ella, Aylen & Maia- coming in on their own time to help finish props!

Thank you all for a truly wonderful year. It is with your families support that we are all able to continue to do something we love, teach the art of dance to children. Our dancers and families are the best and it is at the studio that we find so many new friendships and dancers are able to learn and grow not only in the art of dance but also learn valuable skills that help them through the rest of their lives. Thank you Dream families for an incredible year.

Love,

Ms. Megan
